

RULES

Of behavior for the excursionists visiting “Lida Brewery Museum” (JSC “Lidskoe pivo”)

1. People with the signs of acute respiratory diseases (running nose, cough, temperature over 37 °C) are not allowed to visit “Lida Brewery Museum” (JSC “Lidskoe pivo”).
2. People in a state of alcoholic intoxication, or in a state caused by the use of narcotic drugs, psychotropic or toxic substances, or with signs of such a state are not allowed on the territory of JSC “Lidskoe pivo”.
3. People on scooters, rollerblades and other means of individual mobility are not allowed on the territory of JSC “Lidskoe pivo”.
4. People with domestic and wild animals are not allowed on the territory of JSC “Lidskoe pivo”.
5. It is forbidden to bring and consume various kinds of food, drinks and alcohol on the territory of JSC “Lidskoe pivo”.
6. People under 18 years of age are allowed to enter the territory of JSC “Lidskoe pivo” accompanied by legal representatives (parents, adoptive parents, guardians, custodians). Legal representatives are obliged to keep an eye on the children and not to leave them without personal supervision. Legal representatives are fully responsible for the health and safety of their children, as well as for their compliance with these Rules, for their deeds and actions. In cases if children violate the present Rules and public order and create discomfort to other visitors of the Museum, children and accompanying adults will have to leave the excursion. The cost of tickets in this case is not refundable.
7. When moving around the territory of JSC “Lidskoe pivo” follow the guide strictly. Excursionists are not allowed to leave the group and move independently during the excursion on the territory of JSC “Lidskoe pivo”.
8. Excursionists are obliged to take care of their personal safety and personal health, as well as the safety of others while on the territory of JSC “Lidskoe pivo”.
9. When entering and leaving the territory of JSC “Lidskoe pivo”, buildings and facilities of JSC “Lidskoe pivo” it is necessary to:
 - look carefully under your feet, preventing your shoes from getting into the holes in the mud grates at the entrance doors of buildings and facilities;
 - the height of the threshold in the doorway or floor height differences in adjacent rooms must be observed to avoid injury.
10. When leaving the territory of the plant and moving on the roadway, from the corners of buildings and standing vehicles, moving from one room to another and moving directly in the premises, where the view of the path of movement is limited, it is necessary to be attentive, make sure in advance that there are no moving vehicles and obstacles in the path of movement.
11. Move in rooms, corridors, staircases, etc. without hurrying, be careful especially after wet cleaning and in winter, when there is a possibility of increased floor moisture due to snow brought from the street, contributing to slippery feet.
12. You should walk up and down stairways without hurrying, holding onto the handrail, taking into account the permissible difference between the width and

height of the steps. In order to avoid a traumatic situation, it is not allowed to go up and down stairways, to walk at a faster pace, to step over one or more steps, to be distracted during the movement by conversations with nearby people.

13. It is necessary to move on the pedestrian path (sidewalk) on the territory of JSC “Lidskoe pivo”, cross the roadway in places where there are signs of crossing, previously making sure that there is no moving traffic, looking to the left, then, having reached the middle - to the right. Besides, it is necessary to be attentive to sound signals given by drivers of transport, pay attention to light signaling. When crossing the road it is necessary to be guided by warning signs and inscriptions.

14. In the absence of the pedestrian path (sidewalk), the movement should be carried out on the edge of the roadway, towards moving traffic, keeping to the left side.

15. When meeting a moving vehicle, take a safe place and let it pass. Standing vehicles should be bypassed from behind.

16. When meeting employees carrying cargo on the territory of JSC “Lidskoe Pivo” or in the premises, give the way to them.

17. In order to avoid traumatic situation when moving around the territory and premises of JSC “Lidskoe Pivo” it is not allowed:

- to step on (or run over) manhole covers;
- to stand or walk under a lifted load, as well as under scaffolding decks or in places where various objects may fall;
- to sit down and lean on random objects and guardrails, roll down stairway handrails;
- to move in a jogging motion;
- to pick up broken wires and put your feet on them, or touch dangling wire ends, as they may be energized.

18. Observe the fire safety regulations. Follow the requirements indicated on safety posters and signs.

19. Do not lean on the guardrails of work areas and ladders, do not climb up the ladders.

20. Smoking is allowed only in specially designated and equipped places marked with “Smoking Area” signs.

21. In case of injury or if you feel unwell, inform an employee of JSC “Lidskoe Pivo” (tour guide).

22. Taking photos during the tour is allowed in the Reception, in the historical site of JSC “Lidskoe Pivo”, namely in the sector of historical buildings location: the first brewery (now “Lida Brewery Museum”) and the object with the advertising inscription “Pivnaya (Beer) Street”, as well as in the building of the Museum itself.

23. It is forbidden to use cell phones and dictaphones, as well as to conduct video shooting during the excursion outside the places allowed for photography according to p.22 of these Rules.

24. In case of emergency that poses a threat to health and life of people, you should leave the danger zone, take measures to warn and evacuate people.

25. The excursionist does not have the right to interfere with the excursion through his/her actions. Please respect the work of the guide, do not interrupt him with conversations among yourselves. Please ask all questions at the designated time.

Thank you!
